The policy ensures that grants are awarded fairly, transparently, and within budget constraints.</p> <p>Key Principles:</p> <ul style="list-style-type: none"> • Grants are based on need, merit, and community impact. • Applications must demonstrate benefit to Taff’s Well & Nantgarw residents or the local environment. • Grants may be monitored and evaluated post-award. • Requests from organisations outside Taff’s Well & Nantgarw are |

considered based on **resident benefit**.

- **Funding is not guaranteed** year to year.
- Grants are only awarded when the Council has the **legal authority** to do so.

Policy Aims:

- Encourage **voluntary participation** in local activities.
- Support the **sustainability** of community services.
- Address **resident needs**.
- Promote **equal access and opportunity**.
- Enhance the **local environment**.
- Ensure **value for money**.

The Community Council usually awards grants of up to £300 & in exceptional circumstances will consider larger awards .
